

Exit Strategy

UP viewpoints:

- In CERTUS, we build up experience
- To enlarge industrial participation
- To keep on building on the competences of the Center
- Dedicated training
- External supervision of industrial PhD
- Not a consultancy company

Researcher viewpoints:

- UP investment
- CERTUS as an externalized research entity
- Cross-fertilization between the UP partners
- shared innovations
- Consultancy activities for external partners of the center (for attracting new partnership)

Actions for defining the exit strategy

Other centers hosted by SIMULA (Robustness center, CBC)

Exit strategy of other SFI from the first round

Other International centers: CRIM, SEI, CREST, FBK (Tonella), SINTEF - Fraunhofer (opportunity to merge with other centers)
